Dear Ms. Kiser and Mr. Sukys:

With this letter, I am forwarding the administrative amendment No. 9 to the California's 2002/03 to 2004/05 Federal Statewide Transportation Improvement Program (FSTIP). This amendment includes programming modifications to the rural, non-Metropolitan Planning Organization, portion of the state and applies specifically to any or all of the twenty-one rural air quality attainment counties. The amendment modifies Public Lands Highways (PLH) Lump Sum Project (MPO ID: VAR10) per project list provided by Federal Highway Administration (FHWA) constituting the lump sum. This information was received by our office on July 18, 2003 FHWA's Central Federal Lands Highway Division. This amendment does not affect air quality or financial constraint.

The projects in this amendment are included and submitted by Caltrans through the California Transportation Improvement Program System (CTIPS).

Since administrative amendments do not require FHWA and/or Federal Transit Administration approval, this amendment has been amended into California's 2002/03-2004/05 Federal Statewide Transportation Improvement Program (FSTIP).

Please address any questions on this amendment to Abhijit Bagde of my staff, at (916) 654-3638.

Sincerely,

A handwritten signature in black ink, appearing to read "Kris Balaji".

Office of Federal Transportation Management Program
